Lake City, Florida 32025

STEPHANIE C. KOPELOUSOS
SECRETARY

June 24, 2010

To Companies Interested in this project:

Addendum #7

Attn: Shortlisted Proposers:

**BBI Construction Management Inc./4M
Peter R. Brown Construction Inc./CRA Architects
R. M. Williams Construction, Inc./Fleischman-Garcia Architects**

Project #: E2N44

Restoration of Historic Train Depot
State Financial Project # 210764-2-52-01

The following questions and answers apply to this contract.

Does City do their own taps or are we to do tap for water? [Yes City would tap, contractor would take pipe to property line.](#)

What size backflow do you want for the water & Irrigation? [3/4" unless the contractor is taking responsibility for irrigation then 1"](#)

IS hotbox / insulation going to be required or are we to price out just a freeze plug? [Insulation will be required on the backflow preventer.](#)

What size sanitary line do you want 4" or 6"? Plumbing has a 4" line coming out of the building. Does this need to be increased out to the tie-in? [Contractor would take 4" pipe to property line](#)

Sidewalks are they to have WWM or just concrete? [Just concrete](#)

Please sign, date and email a copy of this addendum back to me today to indicate receipt. A copy of each addendum is to be returned with your bid package.
